Kelapa Gading
Jakarta - Indonesia 14240
Telp : +62 21 4529020
Fax : +62 21 4528192

Suitable for all paper, textiles, wood, plastics, rubber, petrol, oil, paints, LPG, CNG, Acetylene and electrically charged equipment, it could be said that the ABE Powder Type extinguisher is the most widely used. FlameStop's 1.5kg ABE has been designed to be most effective in the common household, small kitchen, small computer or electrical room as well as cars and racing vehicles. It is also important to remember that when using this Dry Chemical Powder (DCP) extinguisher, consideration must be made in relation to the location and usage of this product as a fine powder is discharged that may cause specific concerns or damage.
